

Direct Drive Donation Form

If you want to support the GVE PTA's work on student and school programs, but don't want to participate in fundraising events, consider donating through Direct Drive as an easy, efficient alternative. Donations are 100 percent tax-deductible and 100 percent of your gift goes directly to support student and school programs. You can donate as much and as often as you want, anytime during the school year.

Your contribution supports many GVE PTA programs, including:

- Monthly Art Discovery program
- Curriculum enhancements
- Teacher grants
- Monthly birthday book cart
- Monthly staff appreciation
- Technology upgrades
- Student services
- And much, much more!

A suggested contribution of \$50 per student would help us reach our annual fundraising goal of \$50,000, but a gift of any amount will help us maintain the wonderful programs we offer.

If you work at medium to large sized company, your employer might offer a matching gift program. Thus, when you donate to the PTA at Grass Valley Elementary, your company would match part or all of your gift. To learn whether your company has a matching program, contact your Human Resources representative and get the details. Each company has a specific process for giving Matching Gift funds.

The Grass Valley Elementary PTA is a tax-exempt nonprofit organization under section 501(c)(3) of the IRS code. Our federal tax identification number is 91-1734025. The official name of our group is "Grass Valley PTA 3.6.65."
