

2018-19 Membership Form

When you become a member of the Grass Valley PTA, you are showing support not only for our goals, but also for the children of our school. A small portion of the \$10 membership fee stays with the school, while the rest goes to the Washington State PTA, which provides our insurance and supports larger programs and legislative issues. Throughout the school year, the Grass Valley PTA raises nearly \$50,000 through various endeavors, including a fun run, direct drive, Payback Book sales, spirit wear sales, book fairs, and family events, to name just a few. We use all of these funds for programs and services that give back to our students, staff, and school. Being a part of the PTA lets your voice be heard and be a part of our decision-making.
